

## Virtual Open Industry Session

Thursday, February 23, 2023

Lactanet is pleased to continue organizing and offering its virtual Open Industry Sessions, which have traditionally been planned in advance of each meeting of the Genetic Evaluation Board (GEB). The next session will be held on Thursday, February 23, 2023 and all presentation topics will be related to genetic services. The proposed agenda for this meeting is outlined below.

To participate in this open and free webinar session, you must first register in advance at:
